

Revolutionary Abolitionist Movement  
**ZINE CATALOG**

## **HOW TO GET FREE ZINES**

A zine is a short magazine that anyone can make, copy, share and distribute. Check out the catalog descriptions to find zines you want to read. Write us a letter with the list of the zines you want and your address, and we will mail you the zines.

We are limited by how many zines we can send in one envelope, so we will typically send two to three titles per request. We also encourage you to share these zines with fellow prisoners, start discussion and study groups, send us any other questions you may have. We hope the literature will inspire you and offer solace in the days to come.

RAM - NYC STTW is an abolitionist and anarchist organization that sends revolutionary literature (zines) to people in prison. We recognize the prison industrial complex as one of the most oppressive institutions in the United States and we want to offer our support as solidarity.
